

ACT Bio Form

Official Version, 2/11/07

Please fill this form out legibly; it will be used to write your lobby bio. Remember, this isn't your life story – the point is just to tell the audience a little bit about you. It's also not the place to thank people. Thank them in person.

Name (as you want it to appear in your bio):

Phone number (in case of questions; will not be part of your bio):

Role in this show:

Where do you live?

Where do you work, or if you are a student, where do you go to school and what grade/year are you in?

Past theater credits (if possible, provide dates; if you did a show somewhere other than at ACT, tell us where). You can use the back of this form, or attach a resume, if you want to:

Family members *who live with you*, who you want listed in your bio (please note, we don't do dedications or thanks to family members in bios. Thank them in person; they'll like that better anyway):

What do you like to do, other than theater? (Alternately, is there anything else about you that might interest our audiences? Please be honest – this may be included in your bio.)
